A DEDICATION

IN MEMORIAM TO THE LATE MRS. PEARL WALKER TAYLOR

For she was wise, if we could judge her,
And fair she was, if that our eyes be true,
And true she was, as she did prove herself;
And therefore like herself, wise, fair and true,
Shall she be placed in our eternal memories.

As a soft memory of buried love we dedicate this book to the memory of a lady who we held, and still hold, in our hearts so dear. Such were the works of this daughter of our Father that billows of her energies were turned to support the happiness of others. Now that she is gone, we feel, neither death nor time can destroy, nor experience make stale her infinite good.

FAIR DILLARD

DIVISIONS OF THE UNIVERSITY

THADDEUS JOHNSON, Editor

Fair Dillard,
Flaming love and learning's light

DR. EDWARD E. RILEY, JR., Chairman of the Division of the Natural Sciences, Associate Professor of Biology.

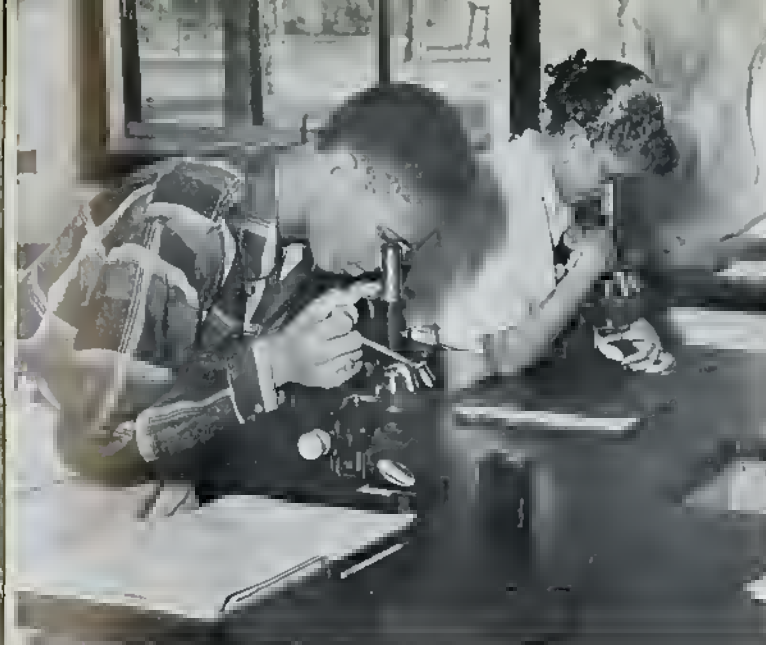

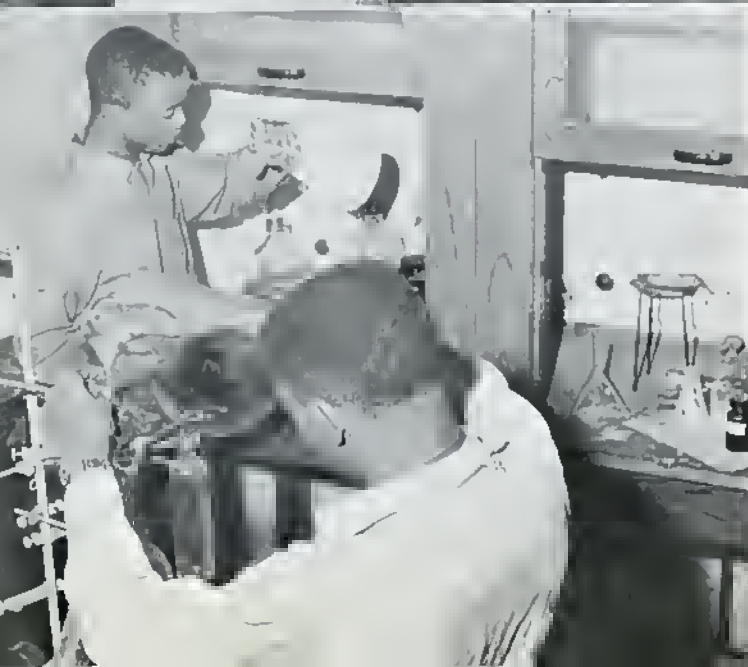

Division OF

The Division of the Natural Sciences seeks to acquaint the student with the individual sciences and their inter-relationships. The student has many opportunities to appreciate and develop interest in the unexplored areas of science.

The Division of the Natural Sciences offers a concentration in biology, chemistry, mathematics or physics. Courses taken early in the student's career provide for a liberal education rather than for specialization. The more advanced courses are designed to broaden the student and prepare him for graduate or professional study. Therefore, the individual science curriculum embraces programs for the general student, the pre-medical or pre-dental student, and the potential scientist.

Division

OF NURSING

The Division of Nursing is an outgrowth of the pressing demand for nurses to meet the basic health problems which affect the health of the entire nation. It includes the physical and biological sciences, social sciences, medical sciences, nursing and allied arts, and other general education courses. Upon the completion of the entire curriculum students receive the degree, Bachelor of Science in Nursing, and are eligible, if twenty-one years of age, to take the State Board examination given by the Louisiana State Board of Nurse Examiners. Successful passing of this examination entitles the graduate nurse to registration in Louisiana and makes her eligible for membership in nursing organizations.

The Division of Nursing is accredited by the Louisiana State Board of Nurse Examiners, and the National Nursing Accrediting Service.

Division OF THE SOCIAL SCIENCES

In the Division of the Social Sciences courses are offered in three areas of concentration: economics and business administration, history and government, sociology and anthropology.

Although the divisional curriculum is designed to provide a broad and useful social science background for all students in the university, its major objective is to provide basic pre-professional training for students interested in law and international relations, civic and governmental services, economics, business and institutional management, sociology and social work, and to help develop secondary and college teachers.

Dr. Violet K. Richards, Chairman, Division of Education

The Dillard University program in Education aims to prepare students for teaching in the kindergarten, elementary and secondary education fields. It proposes to send into the teaching profession individuals proficient in both subject-matter content and techniques of teaching. It also proposes to furnish these individuals with a sound educational philosophy so as to enable them to perform with distinction in their chosen field of work.

The curriculum in the Division of Education is organized to equip the student with: (1) a general education in the areas of the humanities, the sciences, social science, health education and recreation; (2) specialization in the subject matter of the field in which he expects to teach; (3) professional discipline through the study of psychology, and the history, philosophy, and principles of education; (4) a capacity for good teaching through observation, participation and practice teaching in the pre-schools; and (5) a professional and a democratic point of view.

First Row: Mrs. L. Segre, Mrs. I. Greene, Dr. V. Richards, Mrs. M. Davis, Miss V. Counts.
Standing: E. Larre, W. Martin, W. Cope, P. Saunders, A. Pierro, O. Braman.

The Department of Physical Education was added to the Division of Education in 1950. Since that time the department has grown to thirty majors and a teaching staff of forty full-time teachers, and several assistants.

The program aims to prepare students to teach physical education at the elementary and secondary levels, conduct pageants and playdays, and provide leadership for wholesome recreation at the school or community level.

The Alumni Banquet

HOME

Homecoming was a glorious weekend for Dillard students. During this weekend the campus was filled with anxiety for events to take place; events which will always be remembered.

The weekend began with a pep-rally and bonfire, followed the next day by a motorcade. This was the day all of us had been waiting for. The weather was cool and bright; the type of weather enjoyed by most football fans during a game.

COMING

Audrey Castine reigned as "Miss Dillard," attended by the royal sweethearts of the classes. This lovely queen was crowned by our President during halftime at the game.

Students were excited to see some of their dearest friends return as visiting alumni.

DILLARD UNIVERSITY COACHING STAFF

Being a football coach calls for a number of things. First he must be a leader, a scholar, a teacher, a disciplinarian, a follower and a foster father. He should be a salesman, an entertainer and, if he coaches at Dillard, darn near a magician. Such a man eats, sleeps and thinks football while he entails his every day activities. He must have the heart as well as the endurance of a lion. Head Coach Armstead Pierro, assistant coaches William Martin and Peter Saunders with Student Coach Oscar Piper had to display all of these characteristics in bringing the Blue Devils of the gridiron to an undefeated conference title, while winning eight of their nine games, with the highlight of the season being a 13-12 victory over Xavier University.

Our coaches had to be good. They had to be magicians for when the season ended they found that they only had 29 men to work from—29 ironmen who brought Dillard a championship.

CHEERLEADERS

An almost unrecognized fellow, but an important member of the football team is the Trainer. He's the guy that has to do all of the dirty work. Actually it calls for a great deal of responsibility on his part.

Along with him are the cheerleaders. They may seem trivial to most of the students, but to an athlete they are necessary and highly appreciated.

The Devils of Dillard opened their season with a 19-0 conquest of the Panthers of Philander. The Devils paced by the hard running of Moss, Letcher and Acles revealed to the public a glimpse of what to expect for the rest of the season. Having a small line in no way affected the playing of our brilliant linemen who stopped the Panthers cold at every turn.

Avening last year's very disappointing loss to the Golden Bears of Tuskegee Institute, the Devils of Dillard jumped on the Bears with pitch fork and ell and completely outplayed the Bears who were at one time undefeated through their first four games. Richard Bell was our standout for Dillard in this game.

DILLARD 25 • MOOREHOUSE 0

Repeating last year's impressive victory the Dillard University Blue Devils smashed Morehouse by the score of 25-0, in a game held in Atlanta.

Following a pattern of a different hero each game, Herbert "Blue" Harris supplied the laurels in this all important inter-conference game. "Blue" looking like his old self scored two touchdowns for the Blue Devils on two beautiful runs. One of his sprints being for 33 yards. Sharing honors with Harris was "Sweet Child" Willie Acles. Acles had a 37-yard touchdown run and ran 41 yards later in the game to set up another touchdown.

Defensively, Herbert Williams, Johnnie Williams, Henry Lucas and Willie Dempsey were the best boys.

DEVILS WIN CONFERENCE CHAMPIONSHIP

Roll Through Perfect Conference Record:
4 Wins, No Defeats!

Acles, Moss, Jenneford, Williams, Black, Dempsey, Benoit and Jackson are the names to remember when you think of the 1957 Blue Devils of the gridiron. These names echo through the still young and organizing Gulf Coast Athletic Conference. For these names, though not these alone, wrote a chapter in history, as they guided the Devils of the gridiron through their most successful football season in the school's history. The Devils had a near perfect record, winning 8 of 9 games and posting a four won-no loss record in conference play. They also had four players picked for the all-conference team.

Beginning with Philander Smith the Devils began by notching a 19-0 victory. They then latched on the Bishop Steers and won by a 14-6 count. The Devils toyed with Tougaloo by a 33-7 count, then the stage was set for the championship game. The Devils who posted at that time a 3-0 conference record needed a victory to win the title over their nearest rivals, the Panthers of Philander, who were sporting a 3-1 final conference play record. The Devils faced upset-minded Rust College. No conference team had scored more than once on the Devils, but Rust scored twice before the end of the first quarter. The Devils realizing that in order to be champs they must play and act like champs, put on the demonstration of a championship team's will. They scored 47 points in the first three quarters. They defeated Rust 47-12.

For the Gulf Coast Conference championship, Willie Acles, one of our two senior quarterbacks, played before mother and friends and displayed the marksmanship of a truly fine quarterback. Walsdoff Jenneford, our hard running fullback, was by far are best runner on the field. Though it took the combined effort of all to win the conference championship these two names will long stand out as the most consistent.

As many of us leave or graduate, many fine things will be said about the 1957 football team. Perhaps some will differ on the best game of the season, some will probably say against Philander Smith, then again others will say against Xavier, but one thing that all of us will say and remember is that in 1957—Dillard Was the Gulf Coast Athletic Association Champion.

"Miss Dillard" and Captain John Moss receive "The Bone of Contention" from "Miss Xavier" and Xavier's Captain.

Dillard 13, Xavier 12

The Dillard University Blue Devils ended the 1957 football season on the highest note in 10 years. They defeated their cross-town rivals, Xavier University, 13-12. The game began as a run away, with the Devils scoring twice and leading by a 13-0 count at the half. But as such contests so often do it turned into a typical Turkey-Day affair between the two teams. Dillard made a couple of mistakes and Xavier scored twice because of them. But Dillard proved itself to be of championship quality by pulling itself together when the chips were low. Xavier had first down on the Devils' four yard line—the Dillard forward wall wouldn't budge—Xavier couldn't score. On their second touchdown Xavier needed only the extra point to tie the contest. They tried the left side of the Dillard wall and once again the Devils refused to budge. These are only two examples of how well the Devils proved themselves as Champs. The Devils ended the season just as they began, winning!

BLUE DEVILS "SHARES"

The Devils of the hard court began the 1957-58 basketball season with fourteen men, six were sophomores, six were freshmen and two were juniors. This in a nut shell tells the story of our basketball squad. They had height, they were deadly shooters, they wanted to win but they lacked experience and depth. Coach William Martin knew this and opened his basketball season by playing his experienced men. He hoped that as the season progressed that he could substitute some of the freshman of his "green" squad. Opening night against Tougaloo, the Devils started three sophomores and two juniors; closing night (regular season) the Devils started three freshmen and the same two juniors. Coach Martin got his wish.

The Devils starting early, made mistakes and

dropped games to Stillman 69-68; Rust 86-83; Philander 64-62; and M.V.C. 72-67. But as the season progressed they were winning games by large margins. They defeated Xavier 75-36, M.V.C. 62-49, Huston-Tillotson 86-59, Rust 91-59 and many other teams by 20 and 30 points. They played but two bad games. One against the team that they tied for conference title; Tougaloo and another against Xavier. The Devils got hot during the last part of the season and won 16 of their remaining 18 games. The Devils who are led by the twin junior combination of Frank and Brennard Hancock, will not loose a man by graduation. The prize freshman players are Ralph Laster, Bill Sherran and Robert Williamson who will be back again. Dillard should be much better next year.

The Blue Devils of the hard wood who proved themselves the best squad in Dillard's history, swept through the Xavier invitational tournament by whipping Southern University of Baton Rouge by a 64-51 score in the opening round and then later coming back to defeat Knoxville College of Knoxville, Tenn., by a score of 58-54, to take the tournament hands down.

TRACK

Last year about this time the mighty "Blue Devils" walked away with two championship trophies, the South Central Athletic Conference and the Tougaloo Relays which Dillard dominated.

The conference this year will be held in Tougaloo, Mississippi. The '58 Devils have their eyes on the title of the newly formed Gulf Coast Athletic Conference consisting of six colleges: Dillard, Philander Smith, Huston-Tillison, Tougaloo, Rust and Bishop.

The Blue Devils will be without the help of James Howard, who was selected by an independent poll as the most outstanding athlete in track and field.

Standing: Coach A. A. Pierro, J. Thurman, V. Pearson, R. Robertson, D. Norris, W. Irons, T. Letcher, T. Johnson, J. Morris, Coach W. Martin.

UNIVERSITY ATHLETES HONORED BY JACKIE ROBINSON AT ANNUAL BANQUET

Jackie Robinson, Dr. Albert W. Dent, Dr. Wesley N. Segre, John Moss, Captain, Coach Armstead A. Pierro

On the night of February 14, 1958, the University held its annual Athletic Banquet, at which time the guest and principal speaker, honoring the athletes for their outstanding achievements, was the famous Jackie Robinson. The banquet was sponsored by the Dillard University Fullbackers, a group of alumni who are interested in the welfare of the University's athletes.

Jackie centered his speech around unity and the need of all successful groups to stick together. Jackie gave some outstanding examples of how unity had paid off in all walks of life. His favorite saying was "a football team that attempts to make advances in an opponents line usually moves over the weakest point. In unity there are no weak

points." Jackie also congratulated the team for having such a successful year. (The football team won the Gulf Coast Conference title for 1957). Jackie terminated his hour and forty-five minutes speech by showing that there is more than one way of fighting an enemy—the physical and the legal. He has encountered both.

After Jackie's speech, Head Coach Armstead A. Pierro awarded the members of the championship football team with jackets. He also paid tribute to the fellows who had made it possible for the Blue Devils to have such a fine season. The Fullbackers ended the banquet with an award to Coach Pierro for his untiring services.

EXECUTIVE COUNCIL OF THE STUDENT UNION

The Dillard University Student Union is the student governing body of the university. It represents all phases of student activity and its general purpose is to promote student welfare and closer student-faculty cooperation. Specifically, its purposes are (1) to act as a clearing house for student opinion on all matters concerning student welfare; (2) to provide a means through which students may work in close cooperation with administrative officers and faculty members in all programs in which students, administrative officers, and faculty members participate on a joint basis; and (3) to serve as a practical laboratory for exercising the democratic process.

The aims and objectives of **Courtbouillon**, the Student Publication of Dillard University, are the following:

1. To serve as the official voice of the Dillard University student in the expression of student public opinion on matters relating to faculty-student relationships, to inform students and the general public concerning student activities on and off the Dillard campus, and to keep the student aware of his duties and responsibilities as a member of the Dillard Family.
2. To serve as a medium of contact with other colleges and universities through an exchange of ideas and opinions on matters of current interest relating to local, national and world affairs as well as inter-collegiate affairs.
3. To present to the student who may be interested in journalism or writing as a vocation or hobby a means of getting practical experience towards his chosen career.
4. And finally, to make use of every possible opportunity to advance the welfare and interests of Dillard University.

Alpha Phi Alpha is a fraternal organization which seeks to unite college men in a common bond of brotherhood. Initially, the fraternity existed primarily for Negro college men of superior scholastic abilities and high moral character; however, as Alpha Phi Alpha grew in stature, it also grew in scope and purpose. Today any college man who is willing to dedicate himself to and abide by the noble precepts of Alpha Phi Alpha is eligible for membership.

The purpose of the fraternity is succinctly stated in its motto: "First of all, Servants of all, We shall Transcend all." Alpha Phi Alpha holds that man can only realize and fulfill his ultimate self by transcending himself through service to his fellows.

"... having completed our task off compiling data, typing, placing pictures, while missing classes and losing sleep, we now enter a sanctuary of peace and quiet. As you follow us, in your mind's eye, through this portal and into the sanctuary you will see a small group in silence ... meditating, hoping, thanking, and fully realizing that "time and tide (and often yearbook deadlines) wait for no man."
